HELP US REACH OUR FUNDRAISING TARGET FOR EIC DAY 2020!

electrical industries charity

EIC DAY
10
September

Help us raise £100,000 before EIC Day on the 10th September 2020 for those in our sector.

We're asking for just £10 from each of our electrical industry colleagues to keep the EIC fighting in your corner.

Why £10? Over 100 years ago, 10 electrical industry colleagues put £10 each on a table to form the charity you see today. Their £10 has helped your industry for over a century and today the EIC help over 10,000 people who need assistance. We need your £10 pledge to continue the growth of the EIC and the support services we can offer.

To pledge your £10 head over to our donation page and make your donation towards the future of your charity:

uk.virginmoneygiving.com/TheElectricalIndustriesCharity

Alternatively, if you would like to get involved with EIC Day and create your own fundraising event then please contact the fundraising team on **fundraising@electricalcharity.org** or **0203 696 1710**
