Celebrate EIC Day
Join the Power of Ten

On 10th September, we celebrate the remarkable journey of the Electrical Industries Charity (EIC), which began with ten pioneers contributing £10 each to help others in our industry. This year we're inviting you to be a part of our celebration by harnessing the 'Power of Ten'.

Create your own 'Power of Ten' challenge – *whether it's a 10k run, a 10-mile bike ride or baking 10 cakes. Or, join us in the Thames Moonlight 10-mile walk.*

If you are taking up your own challenge for EIC day, don't forget to set up your own fundraising page on enthuse or contact us.

Get involved and show your support. Together, we can make a difference – tenfold.
