

Give a little, help a lot!

Donate now to support your industry's lifeline and help create a brighter tomorrow for your industry colleagues who need support.

The Electrical Industries Charity has been supporting those who serve and have served within the electrical and energy industries for more than 100 years!

Assistance isn't only limited to the workers but also extends to their immediate families (living in the same household). This could be in the form of emergency financial assistance, counselling or legal advice.

Please donate now by scanning the QR code below and make a difference!
